

NOAH'S ARK CHILD CARE CENTER

August 2010

Monkeys Field Trip
Mon- August 2nd
KS Humane Society

A Whole New World

This month we have lots of transition going on,
 both to new rooms and new schools.
 As your child enters the new atmosphere, you both may
 experience the anxiety.

Here are some tips for making the beginning of a new
 atmosphere a positive experience for all:

- Talk about the change
- Share your feelings
- Always say good-bye
- Develop a routine

*“Parent's and Guardians', Thank You for lending us your little ones.
 All the love and care which you have given stood in them in their play and learning.
 I send them off, I hope a little stronger, a little taller, a little freer.
 In our care of your child, I hope I have shown our gratitude.”*

Don't forget those leaving us we have a summer program when Kindergarten is over
If you are interested please get with Ruby and add your name on our waiting list.

In Christ,
Leslie Holeman
