

Parent/Guardians,

## **Welcome to the Noah's Ark Summer Program!**

**This summer your child will be BUSY and will have lots of FUN!**

**Every week is a FIELD TRIP.** PLEASE NOTE these days and make sure you **bring a booster** seat that day. The children will change into Noah's Ark T-shirts at school (these will go home at the end of summer).

You will see several **WATER DAYS** on the calendar. Please have your children **COME TO SCHOOL in swimwear. They will need to bring: water shoes...towel...and change of clothes as well**

You will also see **MOONWALK** on the calendar; inflatables will be used during recess time.

**Every Wednesday** is **SHOW AND TELL** we encourage children to participate and it's a good idea for the item to stay in backpack so it's a surprise 😊

If the children are not in their classroom there will be signs directing you to their location.

**We hope you child will be prepared for first grade and will make good summer time memories and friends while here this summer.**

In Christ,

*Leslie Holeman*

Director Noah's Ark
